A Glorious Silver Jubilee Milestone

Our institution proudly celebrates its Silver Jubilee, marking 25 years of academic excellence, innovation and growth. This milestone reflects our commitment in shaping future leaders for the society. This celebration was graced by the esteemed Chief Guest, Honourable Minister of Revenue and Disaster Management, Thiru. K.K.S.S.R. Ramachandran, Honourable Minister of Environment and Climate Change, Thiru. T. Thangam Thennarasu and Dr. N. Saravanakumar, IAS, Vice-Chairman, Delhi Development Authority with our respected Principal and Management.

Principal's Assumption of Office

Dr. S.M. Kannan taking charge as the Principal on 24.01.2026

Message from the Principal

Education is not only about acquiring knowledge but also sharing ideas and experiences. I appreciated the initiative taken by the editorial committee of our college, bringing out this Newsletter. I hope it will serve as a basic platform for students to showcase their talents and achievements. It enriches the students to develop their language skills, critical thinking and self confidence through seminars, workshops and conferences. It is the right medium for the students to explore their knowledge and showcase their ideas in all the ways to the world.

Progression is a continuous journey, powered by little bit efforts repeated day in and day out. So, you can build your future on the foundation of the today's contribution. Let celebrate what you have accomplished but raise the destination a little higher each time you succeed.
