**MEMORANDUM OF UNDERSTANDING**

**SS OPTIMUM STRUCTURES**, located First Floor, Jawagar Street, Anna busstand, Madurai-625020 the **Second Party**, and represented herein by **Mr.S.HARIKRISHNAN – Proprietor** (hereinafter referred to as "**Second Party**", company which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

**WHEREAS:**

- A) First Party is a Higher Educational Institution named:
- (i) SREE SOWDAMBIKA COLLEGE OF ENGINEERING.**
- B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.
- D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest;
- Second Party will extend the technical facilities at their premises to provide training to students of First Party as when requested, and with the mutual consent, which will help the students to gain practical Knowledge.
  - Second Party will permit industrial visit to the students of First Party as and when requested, and with mutual consent, to gain practical knowledge.
- E) **SS OPTIMUM STRUCTURES**, the Second Party is engaged in Business: Manufacturing, Skill Development, Education and R&D Services in the fields of RPS, Function Generator / Signal Generator and other Testing & Measuring Instruments and also doing the research Level Projects & Student / Faculty Training and PCB Designing

**NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL  
PROMISES SET FORTH IN THIS MOU, THE PARTIES HERE TO  
AGREE AS FOLLOWS:**

**CLAUSE 1 SCOPE OF THE MOU**

- 1.1 Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career.
- 1.2 Internships and Placement of Students:** Second Party will actively engage to help the delivery of the Internship and placement of students of the First Party into internships/jobs, as per AICTE internship Policy. The Second Party will also register itself on AICTE Internship Policy Portal for disseminating the Internship opportunities available with them.
- 1.3 Project work:** Construction management involves the amalgamation of an array of services through the project phases of construction planning, designing, execution, and commissioning, aimed towards achieving project objectives such as management of quality, cost, time, and scope.
- 1.4 Faculty training :** It makes teachers aware of what they do, asks them why, and challenges them to continually do it better. Professional development strengthens the affective, intellectual, and social aspects of academic life. It improves the academic experience at institutions for teachers and students.
- 1.5** There is no financial commitment on the part of the **Sree Sowdambika College of Engineering**, the First Party to take up any program mentioned in the MoU. If there is any financial consideration, it will be dealt separately.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter called as the 'MOU') is entered into on this the day (Date 10<sup>th</sup> November 2023).

BETWEEN

SREE SOWDAMBIKA COLLEGE OF ENGINEERING (Department of Computer Science & Engineering) herein after referred as 'First Party', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors - in-office, administrators and assigns).

AND

AMDA TECH SOFTICS – 7B, SR Surya Complex, Opposite to Canara Bank, Near Old Bus stand, Virudhunagar-626001, (here in after referred to as "Second Party", company which expression, unless excluded by or repugnant to the subject or context shall include its successors - in-office, administrators and assigns).

First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

**WHEREAS:**

A) First Party is a Higher Educational Institution named Sree Sowdambika College of Engineering (Department of Computer Science & Engineering), Aruppukottai.

B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.

C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.

D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest.

E) LAMDA TECH SOFTICS, the Second Party is engaged in the fields of Software Development.

#### PURPOSE OF MOU

This MoU is intended to recognize the general basis for a cooperative and a collaborative working relationship between the two parties. The purpose of this MoU is to have mutual intentions to jointly work on projects required for industries and research needs, with learned faculty of good industrial experience and promising students, jointly agree to exchange their expertise for mutual benefit and growth, on the areas specified below:

- Technical Training in the present & recent trends of the industry needs.
- Guest Lectures
- Placements
- Internships

There is no financial commitment on the First and Second Party to take up any program mentioned in the MoU. If there is any financial consideration, it will be dealt separately.

#### TERMS

This Agreement will become effective upon the date of signature by both Parties. It shall remain valid for a period of five (5) years from the date of the last signature, with the understanding that it may be modified by written mutual consent of both Parties. This Agreement may be terminated by either Party with advance written notice of at least thirty (30) days.

The agreement may be extended by mutual consent of the two Parties after the five-year period, and it must be renewed in writing. This Memorandum of Understanding completed in English is hereby signed in two (2) copies with one (1) copy remaining in the possession of each institution.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter called as the 'MOU') is entered into on this day (10<sup>th</sup> October 2023).

BETWEEN

SREE SOWDAMBIKA COLLEGE OF ENGINEERING (Department of Computer Science & Engineering) herein after referred as 'First Party', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors - in-office, administrators and assigns).

AND

RAJAGIRI INFORMATION SYSTEMS – 40/1, Kumarandavar Illam, P.Salaimuthu Street, Nehru Nagar, By-Pass Road, Near Swathi Matriculation School, Madurai-625010 Tamil Nadu (here in after referred to as "Second Party", company which expression, unless excluded by or repugnant to the subject or context shall include its successors - in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

**WHEREAS:**

A) First Party is a Higher Educational Institution named Sree Sowdambika College of Engineering (Department of Computer Science & Engineering), Aruppukottai.

B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.

C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.

D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest.

E) RAJAGIRI INFORMATION SYSTEMS, the Second Party is engaged in the fields of Software Development.

#### PURPOSE OF MOU

This MoU is intended to recognize the general basis for a cooperative and a collaborative working relationship between the two parties. The purpose of this MoU is to have mutual intentions to jointly work on projects required for industries and research needs, with learned faculty of good industrial experience and promising students, jointly agree to exchange their expertise for mutual benefit and growth, on the areas specified below:

- Technical Training in the present & recent trends of the industry needs.
- Guest Lectures
- Placements
- Internships

There is no financial commitment on the First and Second Party to take up any program mentioned in the MoU. If there is any financial consideration, it will be dealt separately.

#### TERMS

This Agreement will become effective upon the date of signature by both Parties. It shall remain valid for a period of five (5) years from the date of the last signature, with the understanding that it may be modified by written mutual consent of both Parties. This Agreement may be terminated by either Party with advance written notice of at least thirty (30) days.

The agreement may be extended by mutual consent of the two Parties after the five-year period, and it must be renewed in writing. This Memorandum of Understanding completed in English is hereby signed in two (2) copies with one (1) copy remaining in the possession of each institution.

## SILICON HARVEST

### INDUSTRIAL VISITS

Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career.

### PROJECT WORK:

Construction management involves the amalgamation of an array of services through the project phases of construction planning, designing, execution, and commissioning, aimed towards achieving project objectives such as management of quality, cost, time, and scope.

### FACULTY TRAINING :

It makes teachers aware of what they do, asks them why, and challenges them to continually do it better. Professional development strengthens the affective, intellectual, and social aspects of academic life. It improves the academic experience at institutions for teachers and students.

### 3.0 CERTIFICATION

Upon completion of the Internship, **SILICON HARVEST TECHNOLOGIES** & Sree Sowdambika College Of Engineering will jointly conduct technical assessment for students. The students qualifying the technical assessment shall be certified with completion certificate.

### 4.0 TERMINATION

**FIVE YEARS** from the date of signing of MOU, unless renewed on a mutually agreed terms and condition for a further period. During the initial

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the Institution and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.
- 1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

## CLAUSE 2 SCOPE OF THE MOU

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
